

Mechanical Breakdown Warranty

IMPORTANT INFORMATION

Validation of this warranty requires the Approved Installer to register it online at the Driver Administration portal and provide you with an original Warranty Record document.

The Warranty Record document should be affixed to this booklet and will form part of this warranty.

If you (the customer) wish to make a claim under this warranty then you will be deemed to have accepted all the warranty terms and conditions as incorporated in this booklet.

DEFINITIONS	6 - 7
HOW TO MAKE A CLAIM	8

To give you peace of mind, the Approved Installer (or Celtic Tuning, in the case of installing by the Customer using the Emotion Tuning Box) promises to repair or replace any covered component on the Customer's Motor Vehicle which suffers Mechanical Breakdown. As a Customer you have legal rights under statute when a problem arises, and this Warranty does not limit those rights. Guidance and further information on your statutory rights may be obtained from your local Trading Standards Office, Citizens Advice Bureau or Consumer Direct.

You will have chosen or agreed certain parameters for your Warranty, and the limits are specifically listed or covered by the general terms, definitions and exclusions all within this Warranty Booklet. Please read and digest them carefully, along with the Claims Procedure, and enjoy your new purchase.

Privacy Policy

The supplying dealer is the Data Controller of the personal data you provide for this warranty. The data will be passed to and processed by 24/7 Assist Limited and Lawgistics Limited in their role as Driver Administration. The data will be kept on a secure server in the UK and will be kept for a maximum of 7 years to ensure compliance with HMRC guidance and the statute of limitations. Your rights in regard to your personal data can be found at www.ico.org.uk

1. This Warranty does not affect the Customer's statutory rights.
2. The Approved Installer is entitled to choose whether to repair or replace a component covered by this warranty.
3. Mechanical Breakdown is defined in the Definitions section of this Warranty Booklet.
4. Where the cost of repair exceeds the Claims Limit (as defined), the extent of contribution by the Approved Installer under the terms of this Warranty is the stipulated Claims Limit.
5. The period for which this Warranty is valid is from the date of purchase for the period/mileage (whichever the sooner) as stipulated on the Warranty Record as defined.
6. To maintain the validity of this Warranty the vehicle must be maintained and serviced as recommended by the vehicle Manufacturer. The relevant invoices must also be retained and may be required in the event of a claim.
7. In the event of a repair being carried out under the terms of this Warranty, any parts replaced shall become the property of the Approved Installer.
8. This Warranty is invalidated if the vehicle is used for rallies, racing, pacemaking, reliability trials, scrambling, speed testing, track days or for hire or gain, or commercial travelling without the express written consent of the Approved Installer.
9. This Warranty is only transferable to another owner if Celtic Tuning expressly consents to it in writing.
10. This Warranty is invalidated if it is discovered that the odometer has been disconnected for a material mileage or tampered with.
11. The Approved Installer is at liberty to specify the use of reconditioned/exchange units for repairs carried out as a result of a valid claim within the terms of this Warranty.
12. There is no limit on the number of claims made under this Warranty, save that the total value of claims shall not exceed £10,000 or the retail value of the vehicle whichever is the less.

terms and conditions cont.

13. This Warranty is valid for Mechanical Breakdown occurring to vehicles Worldwide.
14. The Warrantors or their representatives shall have the right at all reasonable times to have access to the Motor Vehicle.
15. Any alteration to, or modification to, the Motor Vehicle, save for routine service/maintenance in accordance with the vehicle Manufacturer's recommendations, before or after the fitting of the Celtic Tuning product, shall invalidate this Warranty.
16. No person other than the Customer, or another owner to which this Warranty has been transferred under Clause 9 above, has any right (whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise) to enforce this Warranty.
17. The due observance and fulfilment of the terms and conditions contained in this Warranty or endorsed hereon, insofar as they relate to anything to be done or complied with by the Customer, and the truth of the statements made by the Customer, shall be conditions precedent to any liability under this Warranty.
18. This Warranty applies only in the event and to the extent that a Manufacturer's Warranty claim is declined for a legally valid reason as a direct result of the Celtic Tuning product having been installed.

All mechanical components, if covered by the Manufacturer's Warranty, are covered by this Warranty if the terms and conditions of this Warranty are fully complied with, subject to the General Exclusions and Definitions.

general exclusions

1. Any claim arising as a result of gradual deterioration through wear and tear.
2. Any claim arising from foreign material introduced into the fuel/cooling system.
3. Failure wholly or partly due to negligence, abuse or accidental damage, intentional act or wilful neglect by the Customer, intentional overloading of the Motor Vehicle, and experiments involving the imposition of any abnormal conditions.
4. Vehicle recovery.
5. Loss of use of the Motor Vehicle, or any other consequential or economic loss, penalties for delay or detention, or in connection with guarantees of performance or efficiency other than the Mechanical Breakdown of the Motor Vehicle directly attributable to the installation of the Celtic Tuning product and where the cost of repair has been declined for a legally valid reason by the Manufacturer.
6. The failure of any part not originally fitted to the vehicle and not fitted by the Approved Installer, or the failure of another part arising as a result thereof.
7. Any claim reported to the Approved Installer more than 14 days after the occurrence of the failure.
8. The failure of any part arising as a result of repairs carried out by a person not authorised by the Approved Installer.
9. The failure of any part disclosed as defective to the Customer by the Approved Installer prior to the installation/sale, or for which a claim could be made under the Manufacturer's warranty or as a result of a recall by the Manufacturer.
10. The failure of any part arising from defective design or manufacturing.
11. The cost of establishing preventative maintenance procedures or the cost of recall by the Manufacturer of the Customer's Motor Vehicle or any part thereof or the cost of alterations, additions, improvements or overhauls.
12. Any Mechanical Breakdown caused by the application of any tool or process during the course of maintenance, inspection, modification or overhaul, or due to fire or any extraneous cause.
13. Any claim for Mechanical Breakdown under the terms of any other Warranty, Manufacturer's Guarantee or any Insurance.
14. Any freight charges in the event that a replacement part is not readily available.
15. Any cost incurred as a result of failure to meet current local legislation.
16. As our electronic engine enhancements do not increase strain on electrical components, electrical components are not covered.

Mechanical Breakdown

The sudden and unforeseen failure of a component (excluding timing belts) of the Motor Vehicle directly attributable to the operating or fitting of the Celtic Tuning product warranted hereunder, causing the Motor Vehicle to stop working and, therefore, requiring repair or replacement before normal operation can be resumed, providing the failed component was covered by the Motor Vehicle Manufacturer's warranty and declined by them due solely to the operating or installation of the Celtic Tuning product.

Period and Period of Warranty means the lesser of:

- a) 12 months for the mechanical engine components and 24 months for the software from the date of installation of the Celtic Tuning product to the Motor Vehicle by a Celtic Tuning Approved Installer; or
- b) 30,000 miles as measured on the Motor Vehicle odometer from the date of installation of the Celtic Tuning product by a Celtic Tuning Approved Installer; or
- c) the period remaining on the original warranty provided by the Manufacturer of the Motor Vehicle at the time of purchase from new; whichever is the shortest, but subject to a maximum of 60,000 miles or 36 months.

Claims Limit

The liability under this Warranty shall not exceed £10,000 or the retail value of the vehicle whichever is the less.
